10th June 2009 - afternoon session

- 14:00 Welcome, agenda and objectives for the meeting - EURAC
- 14:30 WP4 - Task1 - Standard configurations' identification
Report on implementation and results - EURAC
Discussion on the results
- 15:30 WP4 - Task1 - Standard configurations' optimization
Report on the implementation of the decks changes to improve the standard configurations' performance - ISE
- 16:00 *Coffee break*
- 16:20 WP4 - Task1 - Standard configurations' optimization
Report on the implementation of the decks changes to improve the standard configurations' performance - Institutional partners
Discussion on the results
- 18:30 Closing of the session
- 20:00 *Dinner with project members in Perpignan*
Place : Le Figuier Restaurant - Perpignan (see map)

11th June 2009 - morning session

- 9:00 Presentation of the morning agenda - EURAC
- 9:20 WP4 - Task2 - Package solutions
Report on the identification of the package solutions - Industrial partners
- 11:00 *Coffee break*
- 11:20 WP5 - Package solutions' presentation
Review of the package solutions assessed and of the material to be shown the following day - TECSOL
Review of the material prepared and the planes for the training courses
- 12:10 WP6 - Dissemination
Coordination of the upcoming dissemination activity - AEE-INTEC
- 13:00 *Lunch break*

11th June 2009 - afternoon session

- 14:30 Presentation of afternoon Agenda -EURAC
- 14:45 WP2 - Dissemination
Report on Tasks 4 (SWOT analysis) and 5 (potential markets and goals) - CRES
- 15:30 WP4 - Task3 - Most promising applications
Report on the progress in the identification of the most promising applications and locations - EURAC
- 16:00 *Coffee break*
- 16:20 WP4 - Task4 - Online tool
Presentation of the online tool
Discussion on the appropriateness, suitability and potential improvements of the online tool.
- 17:00 Steering committee meeting - EURAC
Review of the work performed
Next tasks
Last meeting organization (AEE-INTEC?)
- 18:30 Closing of the session
- 20:00 *Gala Dinner at DERBI Conference with project members in Perpignan*
Place : Clos des Lys Restaurant - Perpignan (see map)

12th June 2009 - DERBI Conference and Fair

- 08:45 Technical visit of the PROMES SOLACLIM Solar cooling installation
Place : PROMES Lab. - TECNOSUD - PERPIGNAN
Rendez Vous : 8.30 am in front of Mondial hotel
- 10:00 Fair "sightseeing" or additional discussion on the task to be performed
- 11:00 Solar Combi+ project presentation - EURAC
- 11:15 Package solution presentation - ClimateWell
- 11:30 Package solution presentation - Rotartica/Fagor
- 11:45 Package solution presentation - Solution
- 12.00 Package solution presentation - Sonnenklima
- 12:15 Package solution presentation - Sortech
- 12:30 Closing of the meeting - Lunch Break at the Fair
- 13:30-17:00 DERBI conference + Fair
